IOLA Awards More Than \$21 Million in Legal Assistance Grants

Benito Romano, Chair of the Board of Trustees of the IOLA Fund of the State of New York, announced that at its annual grants meeting held on May 11, 2011, the Board awarded over \$21 million in grants to support programs that provide free civil legal assistance to low-income New Yorkers throughout the State.

Mr. Romano stated that "The Board is extremely grateful to Chief Judge Jonathan Lippman and the Office of Court Administration whose emergency support of IOLA, coupled with the revenue generated from IOLA accounts held by New York attorneys, allowed the Fund to maintain the same level of grant making as last year."

Christopher B. O'Malley, Executive Director of the Fund said "We know from our grantees across the State that they are facing reduced support at a time when the demand for civil legal services has increased. That makes IOLA's funding that much more crucial to our grantees, and so we are pleased to be a source of funding stability during a very difficult time for civil legal services providers."

The Fund administers two grant programs: Civil Legal Services, which supports programs that provide free legal services in housing, family law and public benefits, among others, and Administration of Justice, which supports programs that serve the elderly, the disabled, immigrants, children, and victims of domestic violence as well as other programs that improve the administration of justice in New York State.

The Legislature created the IOLA program in 1983. The Fund is administered by a Board of Trustees appointed by the Governor. It enables interest to be earned on short term or nominal deposits held in a lawyer's pooled client trust account, with the interest remitted directly by the financial institution to the Fund for distribution in grants.

A schedule of the 2011-12 grants is attached.
