# Justice Infrastructure Project Office Hours

Meet with our Executive Director, Christine Fecko. Join us in an open, collaborative space for IOLA Grantees across New York State to connect directly with the IOLA team. These sessions offer an opportunity to ask questions, share challenges, exchange ideas, and learn more about ongoing efforts with the Justice Infrastructure Project.

## Key Themes We May Explore

- Practical, people-centered approaches for reaching community members and deepening trust.
- How everyday struggles (housing, work, healthcare) connect to legal rights, and why reframing matters.
- Legal issues as life issues
- Identify the support and skills frontline teams need to better serve clients.
- Designing structured, equitable intake practices that improve client outcomes.
